

2010 is the Spruill Center for the Arts' 35th Anniversary!

Help Celebrate the First 35 Years

Help Launch the Next 35 Years

The Spruill Center is a 501(c)(3) private, non-profit organization that relies on the generosity of our members, supporters, students local businesses, foundations and volunteers. The recession has cut deeply into all arts funding, and although the Center has responded by sharply reducing expenses, we still need your support.

Please join the 35th Anniversary Campaign

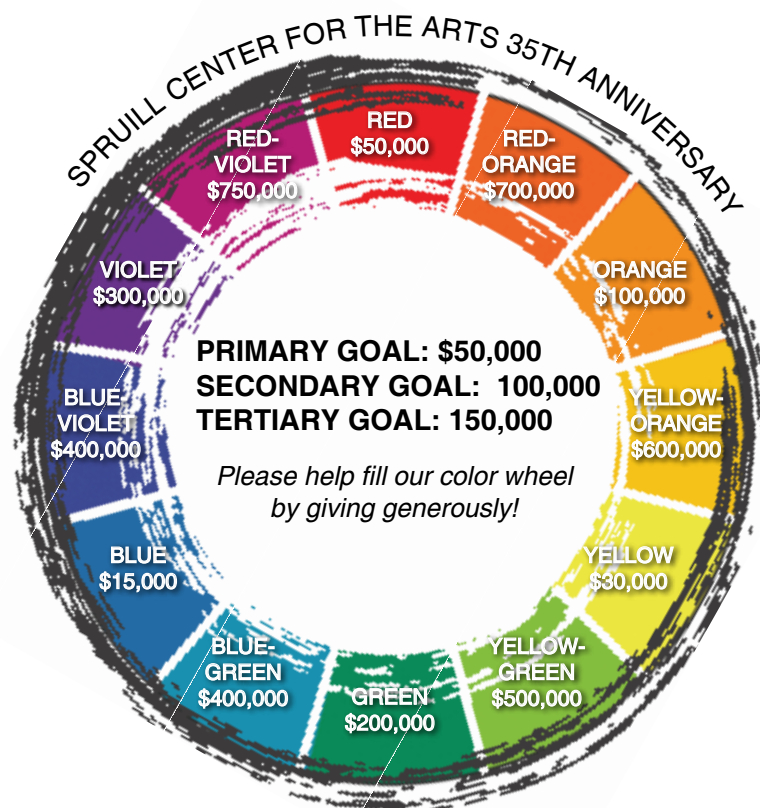

*"We make a living by what we get,
but we make a life by what we give"*

—Winston Churchill

The goals and what your donation will do for the Spruill Center:

- \$50,000 to close the 2010 gap between our operating costs and current income from class fees, grants, and annual fundraisers
- Any additional money raised will go toward "Wish List" items such as crucial technology upgrades and facility improvements.

With your donation you will get the satisfaction of knowing you are making the arts secure in this community and helping to enrich the lives of thousands of people from across Atlanta and the region. You will also receive the following:
