## SUMMER CAMP

### **Studio Arts Camp (Ages 11-14)**

Explore new and exciting specialty camps each week! Sessions are led by seasoned professional instructors providing campers the opportunity to experiment or refine techniques in a specific art medium. Studio Arts Camps are a great way for campers to strengthen their art skills and learn to express their creative talents. Finish the week with an art show on Friday at 2:15pm to share your awesome art!

#### **Week 1: 5/28-5/31 (4 Days)**

##### **Comic Book Illustration**

Learn to draw, illustrate, and create your own action super hero. This exciting and adventurous camp will focus on character creation, story development, designing storyboards, and more. Discover how to properly add color to illustrations and bring your story to life!

**Vincent Allen**

#### **Week 2: 6/3-6/7**

##### **Portrait Perfection**

Explore the fundamentals of drawing portraits and advance your drawing skills. Campers will learn how to see the human face as a series of basic shapes and patterns of light and shadow. Focus will be placed on proportion, composition, and working towards dynamically rendering the human portrait on paper. Experiment with a variety of media including graphite, charcoal, and chalk pastels.

**Marion Johnson**

##### **Paint Squad**

Explore creative applications and unique ways to express yourself using a variety of paints. Experiment with multiple paint mediums and techniques including acrylic pours, tempera pendulum painting, watercolors, alcohol inks and more. Use brushes and non-conventional tools as you pour, drip, and mix paints to create your very own colorful work of art.

**Kristen Kametches**

#### **Week 3: 6/10-6/14**

##### **Ceramics – Week 1**

Gain an understanding of ceramics as a dynamic and expressive art form in this two-week intensive camp. Explore wheel-throwing techniques, hand-building basics, and surface treatment while learning the proper procedures for glazing and firing.

**Heather Meyer**

##### **3D Bead Design**

Experience and discover the art of 3D bead weaving! Create critters, characters, creatures, and more using beads and crystals as building materials. Learn different bead weaving techniques as you explore new opportunities for experimentation and discovery.

**Julie Glasser**

**Week 4: 6/17-6/21**  
**Ceramics – Week 2**  
**Heather Meyer**

**Fashion Lab**

Learn the basics of fashion design including creating a mood board, sketching, and pattern design. Campers will create personalized accessories, hair ornaments, jewelry, hats, and bags. Projects will include fun individual and group design challenges using fabric scraps and found objects. Camp will conclude with a fashion show.

**Onnameaga Daniel**

**Week 5: 6/24-6/28**

**Jewelry Making**

Discover how easy it is to create your own jewelry! Work with wire, beads, gemstones, leather, and more as you learn how to design and fabricate jewelry. Explore the proper use of tools and how jewelry elements work together in function, design, and color. Create one-of-a-kind earrings, bracelets, necklaces, and components.

**Piper Espey**

**Printmaking, Bookmaking, & Collage**

Explore the art form of printmaking while learning advanced techniques including linoleum, monoprint, relief printing, and more. Finished prints will be incorporated into collage art and included in a beautiful hand-sewn book or journal.

**Linn Zamora**

**Week 6: 7/1-7/5 (4 Days – No Camp 7/4)**

**Mixed Media Mania**

Discover how to layer and create texture by combining various art elements. Experiment with paper, paint, fiber, found objects, and more. Challenge your creativity and learn new techniques for creating one of a kind mixed media masterpieces.

**Linn Zamora**

**Drawing and Painting Studio**

Channel your inner artist and immerse yourself in the wonders of drawing and painting. Campers will explore various drawing techniques including line, perspective, and composition. Add dimension with paint and experiment with a variety of materials including paper, canvas, and more!

**Shameka Sheldon**

**Week 7: 7/8-7/12**

**Pinterosity**

Design dazzling DIY projects including arts, crafts, home décor, and more. Campers will learn a variety of techniques focused on making ordinary objects extraordinary. The possibilities are endless in this fun-filled camp. Make, create, and be fabulous!

**Onnameaga Daniel**

**SEWtastic!**

Learn how to operate a sewing machine including threading a needle, winding a bobbin, and how to sew a straight seam. Discover how to read patterns, selecting the proper fabric, and create a variety of exciting projects! Sewing machines will be provided for each camper to use throughout the week.

**Julie Glasser**

**Week 8: 7/15-7/19****Filmmaking**

Lights, Camera, Action! Learn the fundamentals of filmmaking including script writing, special effects, editing, sound effects, and mixing. Campers will utilize video cameras, video editing software, and computers to create their very own feature film.

**Mat Munson**

**Metal Studio**

Cut, hammer, shape, and form metal to create unique pieces of wearable jewelry. Explore fabrication techniques such as stamping, texturing, and riveting. Receive hands on experience with the proper use of jewelers' tools to create earrings, bracelets, necklaces, and more.

**Piper Espey**

**Week 9: 7/22-7/26****Polymer Clay Possibilities**

Construct beautifully colored creations in polymer clay! Learn building techniques, cane work, and color layering while designing beads, pins, creatures, and more.

**Stacy Nathan**

**Comic Book Illustration**

Learn to draw, illustrate, and create your own action super hero. This exciting and adventurous camp will focus on character creation, story development, designing storyboards, and more. Discover how to properly add color to illustrations and bring your story to life!

**Vincent Allen**

**Week 10: 7/29-8/2****SEWtastic!**

Learn how to operate a sewing machine including threading a needle, winding a bobbin, and how to sew a straight seam. Discover how to read patterns, selecting the proper fabric, and create a variety of exciting projects! Sewing machines will be provided for each camper to use throughout the week.
