## **Camp Programs**

Spruill Visual Arts offerings are organized by age group. Instructors introduce new skills and help develop existing skills at a level appropriate for each student. This makes it possible for youth with little experience to work alongside those with more advanced skills.

### **Art Camps (ages 5-10)**

Campers in this age group will rotate to different classrooms throughout the day. Each teacher will introduce lessons based on the current week's theme ending in a well-rounded artistic experience.

### **Studio Arts Camps (grades 6<sup>th</sup> – 9<sup>th</sup>)**

Students in this age group will be taught specific disciplines by professional teaching artists. They will experiment with new art mediums and techniques as they strengthen and enhance their existing art skills.

### **Stage Door Theatre Performance Arts camps (ages 5 – 12)\***

Stage Door performing arts camps are also arranged by age group with each camp focusing on a specific element of Performance Art.

## **What to Bring**

- Optional: smock, apron, or old t-shirt for art activities.
- Optional: change of clothes for accidents.

- Please label, preferably with a permanent marker, all items sent to camp with your camper's name. We will keep items in the lost and found in room 16 until August 9, 2024 at which time all lost and found items (including artwork) will be discarded. Spruill is not responsible for lost items.
- Media devices, toys, and books are allowed ONLY during the designated times and as permitted by the instructor.
- Spruill is not responsible for any items lost, stolen, or broken. Campers are not permitted to read, watch, or listen to inappropriate content during camp.
- **NO PHONES allowed in camps for students ages 5-10.**

## Lunch & Snacks

- Please send your camper with at least two snacks and a hearty lunch to ensure they are fueled for the day! When you plan your child's lunch, please keep in mind that there are no microwaves at camp. Following our commitment to the environment, we ask campers to bring food and drinks in reusable containers (lunchbox, water bottle, etc.) which are clearly labeled with their name. Leftover food will go back home. Choose an insulated lunch bag with an ice pack to keep lunches and snacks fresh all day. Freeze juice boxes or water bottles the night before- the drink stays cool and refreshing and the frozen container acts like an ice pack! Send a refillable water bottle and we will remind your child to drink and fill it up during the day.
- **Please note: Campers are NOT ALLOWED to share food under any circumstances. This is to keep our campers with food allergies safe.**

## What to Wear

- Comfortable clothes that you don't mind getting messy.
- Closed toed shoes.
